Dear Mr. Hoover:

We have made a review for the settlement of the accounts of accountable officers for the Federal Bureau of Investigation, Department of Justice, through fiscal year 1968. Our review was substantially completed in May 1969.

The review was directed primarily toward an evaluation of the adequacy of the Bureau's administrative procedures, controls, and the accounting practices pertinent to our settlement responsibilities, and included such tests of financial transactions as we considered appropriate under the circumstances. Our review disclosed that the procedures, controls and practices were being carried out in a satisfactory manner.

In accordance with section 13 of title 8 of the General Accounting Office Policy and Procedures Manual for Guidance of Federal Agencies, the Bureau's records of financial transactions through June 30, 1968, may be transmitted to the Federal Records Center for storage in accordance with your approved records retention and disposal program.

We wish to acknowledge the cooperation extended by your staff to our representatives during the review.

A copy of this report is being sent to the Assistant Attorney General for Administration, Department of Justice.

Sincerely yours,

Max A Neuwirth
